2022-2023 SPECIAL CIRCUMSTANCES REQUEST FORM

FIRST NAME | LAST NAME | STUDENT ID

INSTRUCTIONS:

According to federal laws and regulations, a family’s 2020 income is used to assess financial need for the 2022-2023 school year. However, if a family’s expected 2021 income is lower, due to special circumstances, a financial aid administrator, under professional judgment, may be able to use the 2021 or 2022 estimated income to assess financial need. Students who transfer from one school to another must understand that professional judgment decisions DO NOT transfer from one school to another. The federal system will use the original “base year” data and our office, by regulation, cannot accept another school’s decision. Making a request does not ensure the request will be approved. Please provide information regarding your reduction in income by completing this form and providing the requested documentation. We can only substitute the 2020-year income with income received during 2021 or 2022.

Indicate family member that experienced the loss of income due to special circumstances:

- Father/Step-father
