INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Galveston College Foundation
Galveston, Texas

Report on the Financial Statements

We have audited the accompanying financial statements of the Galveston College Foundation (a Texas nonprofit organization), which comprise the statement of financial position as of August 31, 2015, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Galveston College Foundation as of August 31, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Galveston College Foundation's financial statements for the year ended August 31, 2014, and our report dated December 15, 2014, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended August 31, 2015, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matters - Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of activities by fund is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and related directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Galveston College Foundation is a not for profit organization (other than a private foundation) chartered under the laws of the State of Texas. The original application for the federal not for profit 501(c)(3) designation was filed July 5, 1996, with the Internal Revenue Service, and the Foundation has been granted that designation. The Foundation, therefore, is not subject to income tax.

The Foundation has been formed to generate philanthropic support for Galveston College, Galveston, Texas, with a primary emphasis on Universal Access. The Universal Access program is to provide scholarships to graduates of Galveston, Texas high schools, thereby encouraging universal access to higher education. In addition to Universal Access, the Foundation solicits, invests and manages donations and grants to the College for educational support activities conducted by the college.

The Foundation is managed by a Board of Directors of no less than three and no more than twenty-one. The President of Galveston College and the Executive Director of Galveston College Foundation serve as ex-officio members of the Board. The remainder of the Board is elected by a majority of the quorum of the Directors then serving.

Effective January 1, 2009, the Foundation modified its reporting period from a calendar year end to a fiscal year ending August 31.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America and accordingly reflect all significant receivables, payables, and other liabilities.

Basis of Presentation

Financial statement preparation follows the recommendation of the Financial Accounting Standards Board in its issuance of FASB ASC 958-205 (formerly SFAS No. 117), *Financial Statements of Not-for-Profit Organizations*. Under FASB ASC 958-205, and the Uniform Prudent Investor Act (the Act) of the Texas Trust Code, classifies net assets, revenues, gains and losses based on the existence or absence of donor imposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

Unrestricted Net Assets

Unrestricted net assets are not subject to donor-imposed stipulations. Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Realized and unrealized gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulations or law. Expenses are reported as decreases in unrestricted net assets. Expirations of temporary restrictions on net assets, that is, the donor imposed stipulated purposes has been accomplished and or the stipulated time period has elapsed, are reported as reclassifications between the applicable classes of net assets.

Temporarily Restricted Net Assets

Temporarily restricted net are subject to donor-imposed stipulations that may or will be met, either by actions of the organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently Restricted Net Assets

Permanently restricted net assets are subject to donor-imposed stipulations requiring that they be maintained in perpetuity with only the interest and dividend income to be used for the Foundation's activities due to donor imposed restrictions.

**Galveston College Foundation
Notes to Financial Statements
August 31, 2015**

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash

Cash includes monies held in checking accounts at financial institutions.

Investments

Investments in marketable securities with readily determinable fair values and investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses on trading securities are included in the statement of activities. Investment income and gains restricted by a donor are reported as increases in unrestricted net assets if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized. Independent investment departments at local financial institutions manage the investment assets.

It is the policy of the Board to liquidate donated securities when they are contributed and to transfer the proceeds to an Investment Manager to be included in the management of the Foundation's portfolio.

Allocation of Investments and Investment Income

All investments of the Foundation are pooled for investment purposes. The allocation of investment balances by fund is primarily comprised of the net asset composition by fund. The allocation of investment income is based on the percentage of prior year net asset composition for Universal Access, Galveston College and Other Funds.

Revenues

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and nature of any donor restrictions. Unconditional promises to give are recorded when received. Unconditional promises to give that are due in the next year are recorded at their net realizable value. Unconditional promises to give that are due in subsequent years are recorded at the fair value. At August 31, 2015, pledges receivable totaled \$959,363.

Donated Facilities, Services, and Equipment

The Foundation recognizes the value of contributed facilities, services, and equipment in accordance with FASB ASC 958-605 (formerly SFAS No. 116), *Accounting for Contributions Received and Contributions Made*, whereby contributions of non-cash assets are recorded at their estimated fair values in the period received. Contributions of donated services that create or enhance non-financial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received as unrestricted revenue. During 2015, the Foundation received \$37,863 in donated facilities, services, and equipment.

Unrestricted Expenditures

Unrestricted donations may be spent for scholarships, learning enhancement activities, Galveston College strategic initiatives, community outreach, or Foundation operating expenses. Expenditures may not exceed the interest earned by the account. In addition, the maximum expenditure is five percent (5%) of the total asset balance in the fund at the end of the previous fiscal year, less any recorded liabilities and allocations authorized but not yet disbursed.

Advertising

All advertising is expensed as incurred.

Economic Dependency

The Foundation is economically dependent on Galveston College for yearly support through donated facilities, payment of utilities and insurance, and staffing of the Executive Director and support staff. The value and cost of these services, which approximates \$37,863, are included in the statement of activities as donated facilities, services, and equipment.
