

GALVESTON COLLEGE

Goals for Student Achievement

1. Student Completion – 100 percent of the students receive a performance grade 90 percent of the time. (Performance Grades = A, B, C, D, or F, CR*, or NC*). *Dev.Ed. (See “[Four-Year Success Completion Rates](#)”)
2. Student Success – 100 percent of the students achieve a success grade 70 percent of the time. (Success Grades = A, B, C, or CR*). *Dev.Ed. (See “[Four-Year Success Completion Rates](#)”)
3. Student Retention – 70 percent of students are retained from fall-to-spring, and 40 percent of students are retained fall-to-fall. (See “[Retention Adjusted for Graduates FA11-FA12 TO SP18](#)”)
4. The rolling three average of student success points has increased by 2 percent during the time from 2012-2017. (Student Success Points is a point system that awards or accumulates points on an annual basis for student completion of developmental studies, student completion of gateway courses, student completion of 15 semester hours, student completion of 30 semester hours, graduation, and transfer.) (See “[Success Points Three Year Rolling Average.](#)”)
5. Job Placement / Pursuing Additional Education – 85 percent of graduates will be employed following graduation and/or pursuing additional education. (See “[StudentsEmployedEnrolled](#)”)
6. Technical Program – Critical Success Measures
 - a. Each technical program will generate at least 5 graduates per year or 25 graduates over 5 years.
 - b. Each technical program will generate an 85 percent success rate for its graduates with success being defined as employed following graduation, pursuing additional education following graduation, or both.
 - c. Ninety percent of students graduating from a technical program should pass their licensure requirements within one year following graduation. (See “[Technical Programs-Critical Measures.](#)”; Also, SEE “[CBM116 Technical Program Placement Rates](#)” & “[Technical Program Licensure Pass Rates.](#)”)

Institutional Goals:

Graduates: Each program must generate 5 graduates per year and/or 25 graduates over five years.

Licensure Pass Rate: 90% of program graduates who sit for the licensure or certification exam must pass within six months of graduation. Alternatively, the 3-year average must be within 5 percentage points of the standard designated by the relative licensure/certification entity.

Placement Rate: 85% of program graduates must be employed or enrolled in a program to continue their education, or both, within one year of graduation.

Note: Programs not requiring licensure or certification are shown in shaded areas.
