# GETTING STARTED

## APPLYING FOR ADMISSION

For admission consideration to degree and certificate programs, new students need to complete the following steps:

1. Complete the Application for Admissions and the Residency Questionnaire.
2. Submit official transcripts from home/high schools and colleges and universities attended.
3. If required, take appropriate placement tests and complete New Student Orientation.
4. Meet with a Counselor, Faculty Advisor, or Program Coordinator to discuss your degree plan and plan your class schedule.
5. Submit evidence of the Bacterial Meningitis vaccination.
6. Register and pay for classes using Whitecaps portal or in person.

## READMISSION

Previously enrolled students who have not attended Galveston College for at least one semester (not including summer sessions) must reenroll by completing and submitting a Readmissions Application to the Office of Admissions located in Moody Hall. The Readmissions Application can also be downloaded online at [www.gc.edu](http://www.gc.edu). Students who have been away from GC for one year or more must reapply by completing a new Admission Application and the Residency Questionnaire.

## IMPORTANT NOTICE FOR NEW AND READMITTED STUDENTS

Pursuant to the Jamie Schanbaum and Nicolis Williams Act, all entering students to an institution of higher education or private or independent institution after January 1, 2012, MUST show evidence of being immunized against bacterial meningitis. (Texas Education Code 51.9192)

Entering student is defined as:

- a) A new student – a first-time student in an institution of higher education, or the private or independent institution of higher education, including a student who transfers to the institution from another institution or
- b) A student who previously attended an institution of higher education before January 1, 2012 and is enrolling in the same or another institution following a break in enrollment of at least one fall or spring semester.

The bill exempts from the immunization a student who is enrolled only in online or other long distance education courses or who is 22 years of age or older. Other exemptions include:

- a) An affidavit from the physician stating that obtaining the vaccination would be injurious to the health or well-being of the student.
- b) An affidavit form by the student that he/she declines the vaccination for “reasons of conscience,” that includes religious beliefs.

Evidence of the vaccination must be during the five-years preceding and at

least 10 days prior to the first day of the semester in which the student plans to enroll.

How to provide evidence of vaccination to Galveston College Office of Admissions:

- Submit a signed official notification from your physician indicating the month, day, and year the vaccination was administered, or
- Submit an official immunization record generated from a state or local health authority, or
- Submit a signed notification from your physician that obtaining the vaccination will be injurious to your health or
- Submit an affidavit that the student declines the vaccination for reasons of conscience.

Proof of your vaccination must be submitted to the Office of Admissions (M-160) in person, via email: [adm@gc.edu](mailto:adm@gc.edu) or via fax (409) 944-1501.

**For additional information, please visit [www.thecb.state.tx.us/bacterialmeningitis](http://www.thecb.state.tx.us/bacterialmeningitis) or [www.collegevaccinerequirements.com](http://www.collegevaccinerequirements.com)**

## **DUAL CREDIT & EARLY ADMISSIONS PROGRAM**

Enrollment in Galveston College's Dual Credit/Early Admissions Program provides high school students an opportunity to get a head-start on earning transferable college credits at a minimal cost **before** high school graduation. Contact Priscilla Culver at (409) 944-1251 for more information or visit [www.gc.edu](http://www.gc.edu).

**The Advantages of the Dual Credit & Early Admissions Program include:**

- Earn college credit while in high school
- Courses are transferrable to four-year colleges and universities
- Savings on tuition costs and fees compared to that of a four-year college
- Seamless transition from high school to college
- Greater likelihood of success in subsequent collegiate work
- Greater likelihood of earning a high school diploma and a college degree
- Opportunity to access college facilities and resources such as tutoring services, computer labs and counseling services
- Enhances skills required to be successful at the collegiate level such as time management skills, critical thinking skills, study skills and following directions and procedures

**Qualifications for Dual Credit & Early Admissions:**

1. Must be classified as a high school student.
2. Complete the **Application for Admission** with the Residency Questionnaire or the online **Apply Texas application**.
3. Demonstrate readiness for college coursework via the Texas Success Initiative (TSI) Assessment, ACT, SAT, STAAR End of Course Assessment, PSAT, or other approved assessment. Please visit your high school counselor to ensure readiness standards are met.
4. Complete the **Dual Credit Enrollment Form** and obtain all signatures.
5. Submit an official high school transcript and an official test score report.  
All completed and signed documents should be submitted to the Galveston College Dual Credit Advisor. The Dual Credit Advisor can be reached by telephone at 409-944-1251 or email at [pgonzale@gc.edu](mailto:pgonzale@gc.edu).

# NEW STUDENT ORIENTATION

New Student Orientation is **MANDATORY** for all first time, fulltime entering students registering for credit classes. All students are welcome and encouraged to attend. Students may choose either a face-to-face or online orientation. The schedule of face-to-face sessions is listed below. Please see the Online Orientation section for more details on that option.

<b>Thursday, July 5, 2018</b>	<b>10:00 a.m.</b>
<b>Thursday, July 12, 2018</b>	<b>1:00 p.m.</b>
<b>Wednesday, July 18, 2018</b>	<b>3:00 p.m.</b>
<b>Tuesday, July 31, 2018</b>	<b>9:00 a.m.</b>
<b>Friday, August 10, 2018</b>	<b>1:00 p.m.</b>
<b>Tuesday, August 14, 2018</b>	<b>9:00 a.m.</b>
<b>Monday, August 20, 2018</b>	<b>9:00 a.m.</b>
<b>Wednesday, September 26, 2018</b> ( <i>Second Start Orientation</i> )	<b>3:00 p.m.</b>

Orientation sessions provide students with information on the many services available at Galveston College. In addition students are also able to register early for courses.

- Students who are required to take the TSI Assessment® cannot register for classes without taking the exam. It is strongly recommended you complete this exam prior to attending orientation.
- The TSI Assessment Examination requires a fee of \$29 and the completion of a pre-assessment activity prior to testing.
- See the Counseling Office to make your reservation for a session, check your TSI status and receive more information regarding the pre-assessment activity.
- Student Success Advisors are available on a walk-in basis to answer any questions you may have regarding the Admissions process, Financial Aid process, the Texas Success Initiative, New Student Orientation and course selection.

Before paying for your exam please make sure you complete the following:

- ✓ Reserve your space for New Student Orientation
- ✓ Speak with a Student Success Advisor regarding the pre-assessment activity
- ✓ Pick up your TSI examination form from the Counseling Center signed by an advisor
- ✓ Make your \$29 payment in the Business Office located on the 2nd floor of Moody Hall
- ✓ Present your examination form, your receipt of payment and photo ID in the Testing Center to take the exam

All orientation sessions will be held in The Cheney Student Center, Seibel Wing. Visit [www.gc.edu](http://www.gc.edu) for more information. To sign up for a session call (409)944-1220 or email Diane Laine at [dlaine@gc.edu](mailto:dlaine@gc.edu).

## NEW STUDENT ORIENTATION ONLINE

Galveston College has created an online version of the New Student Orientation in an effort to better serve our students. Students must have applied to Galveston College and received their GC student ID number before being able to login to the Whitecaps Portal to complete the orientation. If you do not know your GC student ID number, please contact the Admissions Office for assistance.

Your Admissions acceptance letter provides details on how to access the Whitecaps Portal at <https://whitecaps.gc.edu> to complete the pre-assessment activity for those students who must take the TSI Assessment test, as well as access to the online new student orientation. Please contact the Counseling Center at (409) 944-1220 if you have any questions pertaining to the online orientation.

# TESTING AND REGISTRATION

## REGISTRATION ALERT

Students may not register for classes until a Texas Success Initiative score or exemption is on file. Students may be required to take the new TSI Assessment® test before enrolling in Galveston College. Students enrolling in Level One Certificates may be TSI exempt. Please contact an advisor for more information.

## TEXAS SUCCESS INITIATIVE

The Texas Success Initiative (TSI) requires students to demonstrate college readiness in reading, writing, and mathematics by meeting certain criteria. The criteria include minimum scores on one of the following tests: TAKS®, STAAR, SAT®, ACT® or TSI Assessment®; or prior completion of identified college courses with a grade of "C" or higher. Official test score reports are required for placement/exemption. Students who do not demonstrate college readiness in any or all areas will be required to enroll in the appropriate developmental course(s). Galveston College offers the TSI Assessment test to meet the Texas Success Initiative requirement. The test is available in the Learning Resources Center at Galveston College. Please contact the Counseling Center at (409) 944-1220 or the Testing Center at (409) 944-1290 for information on dates, times, and cost of the TSI Assessment test (valid picture ID REQUIRED for all testing).

## PLACEMENT TESTING

Each credit course in the Galveston College Catalog (available on-line at [www.gc.edu](http://www.gc.edu)), has a required performance level in reading, writing, and/or mathematics skills. The TSI Assessment® test is used to determine placement in college level courses. Students who do not demonstrate the required performance level will be required to successfully complete the appropriate developmental course(s). **All students who place into two developmental level courses are required to enroll in PSYC 1300 – Learning Framework.** Contact the Counseling Center at (409) 944-1220 for information on the requirements for enrolling in credit courses.

# GALVESTON COLLEGE TESTING CENTER

The mission of the Testing Center is to support and to provide a clean, fair, comfortable and safe testing environment for Galveston College students taking institutional exams as well as community members taking correspondence, state and national exams. The Testing Center is also equipped to provide computer generated and web based exams. Unless otherwise indicated, pre-registration for exam is in the Testing Center.

# HOW TO REGISTER FOR CLASSES

The Whitecaps Portal system provides students with immediate and ongoing information about programs and services available at the College as well as online access to their individual courses and program of study status.

## REGISTER USING YOUR WHITECAPS PORTAL

### New Students

New students will be given access to the Whitecaps Portal for registration only after meeting with an advisor.

- Contact the Office of Admissions to verify that your records are complete.
- Prepare a draft class schedule to review with your Counselor, Faculty Advisor, BBS Advisor, or Program Coordinator.

Follow the instructions listed to register online.

### Continuing Students

- Register using the Whitecaps Portal during scheduled registration periods. Follow the instructions listed below. (Continuing and former students should also check with the Office of Admissions to remove any registration holds before meeting with a Counselor, Faculty Advisor, or Program Coordinator.)

Follow the instructions listed to register online.

## REGISTER ONLINE!

The following instructions are provided to assist with registering online:

1. Go to [www.gc.edu](http://www.gc.edu).
2. Click on **Whitecaps Portal**.
3. For continuing students, enter your GC User ID and password (the password is the same as your current campus computer password) and click login. For new students, enter "GC" followed by your 7 digit student ID number and password (the password is defaulted to your date of birth mmddyy) and click login. If you changed your password or need to reset it, contact the IT Help Desk at 409-944-1352.
4. Under Quick Links, select Register for Classes.
5. Select Search and Register for Classes.
6. Select a term, enter as many search criteria as you wish and click Submit.
7. To add a class, click the Select Section(s) box next to the sections you want to add and click Submit.
8. Select the appropriate action for all sections or for each section individually and click Submit.
9. Review your Registration Results and click OK.

Pay for your classes online by clicking the **FACTS\* Payment** tab.

*\* For more information about FACTS (payment online) turn to page 22.*

**Note:** The **Whitecaps Portal** will prohibit students from registering in courses when they have not completed the required prerequisite(s), lack the appropriate placement test score(s) and/or fail to enroll in the course co-requisite. Students are responsible for the development and accuracy of their class schedule.

Enrollment is complete only when tuition and fees are paid. Please contact the cashier in the Business Office for other methods of payment.

## SCHEDULE CHANGES

The **WHITECAPS PORTAL** is available for schedule changes during Early Registration and General Registration. Students who need to change their schedule (including adding or dropping a course) must contact a Counselor, Faculty Advisor, or Program Coordinator to have the change(s) approved during Late Registration. Some students may have restrictions on their ability to make changes.

## VETERANS BENEFITS PROGRAM

The Financial Aid Office assists eligible student veterans and their dependents in obtaining veterans' educational benefits in compliance with Veterans Administration procedures and regulations. To receive veterans benefits, students must be admitted to Galveston College, enroll in a degree-seeking or certificate-seeking program and apply for Veterans Educational Benefits. Current students should visit or contact the Financial Aid Office each semester after registering for classes to verify their eligibility of benefits. For more information regarding Veterans Administration education benefits, contact the Financial Aid Office at (409) 944-1225.

## SENIOR CITIZEN DISCOUNT

All United States citizens who are residents of Galveston Community College District who have attained the age of 65 years (65 and older) are eligible to receive a 100% tuition discount for credit courses, and a 50% discount for associated fees for credit courses (exceptions include individual music instruction, course fees, liability insurance, health fees, and testing fees). Tuition/fee adjustment requests for credit courses must be made at the time of registration.

### SENIOR CITIZEN - CONTINUING EDUCATION COURSES

All United States citizens who are residents of Galveston Community College District who have attained the age of 65 years (65 and older) are eligible to receive a 50% tuition discount for non-credit continuing education courses. Tuition/fee adjustment requests for continuing education courses must be made at the time of registration.

## DEGREE AUDIT

You may view your degree progress in your Whitecaps Portal. A degree audit is a computerized evaluation report that compares completed, in progress, and transfer coursework against program requirements. An audit report is generated that reflects coursework compared to requirements of a declared major at Galveston College. The audit is unofficial and should be used only as a tool to assist with planning future coursework. Students are strongly encouraged to work closely with a Counselor, Faculty Advisor or Program Coordinator when interpreting the report.

New and continuing students can view their degree progress by following these instructions:

1. Log into your WHITECAPS PORTAL
2. Under Self Services, Select Academic Planning
3. Select Program Evaluation

Follow the instructions on the screen.

## ACADEMIC FRESH START

The "Right to an Academic Fresh Start" legislation, passed by the 73rd Texas Legislature, entitles residents of Texas under Texas Education Code §51.931 to seek admission to public institutions of higher education as undergraduate students without consideration of courses undertaken ten or more years prior to enrollment. An applicant who chooses to pursue Academic Fresh Start must inform the Office of Admissions and submit a petition for "Academic Fresh Start" prior to the official census date of the first semester of attendance. The intent of the "Fresh Start" legislation is to provide students with an opportunity to have college-level work ten or more years old not be counted in their cumulative grade point average or hours earned. Students may not select which courses are to be counted and which are not. If Fresh Start is granted, all college hours ten or more years old will not be counted in the student's cumulative statistics. The courses will still be listed on the student's transcript with a notation of Fresh Start being granted. Academic Fresh Start does not apply to Financial Aid or VA benefits guidelines. If interested in seeking a Fresh Start, contact the Admissions Office at (409) 944-1230.

## CARL PERKINS PROGRAMS

Galveston College provides eligible students with limited financial assistance for child care through Carl Perkins funding. This program is offered on a first come, first served basis to qualifying individuals, as funding is available. Qualifying individuals must be seeking a certification or degree in a technical program and demonstrate financial need. Applications are available in the Counseling Center. New applications should be submitted to the Counseling Center before or by the following deadlines to assure that enrollment is complete prior to the start of classes. Returning applicants MUST submit a renewal application (with notations, if a schedule is not available) by the deadline. Any returning student who requests child care after the deadline may not be reviewed until after classes have begun and awarded according to available funds.

### CHILD CARE PROGRAM:

Returning / New Participants:

Friday, May 4, 2018

\*\*\*\*\*ONLY FULLY COMPLETED APPLICATION PACKAGES WILL BE ACCEPTED.\*\*\*\*\*

## SPECIAL SERVICES

Registration assistance and academic support are available for students with disabilities and for special populations. For further information and to register for services, students should contact the Counseling Center in Moody Hall at (409) 944-1220.

## STUDENT ID CARDS

**All Galveston College students are required to possess and display a valid Galveston College student identification card.**

A Galveston College student ID card is required for college services such as the Library, Gym, the Student Success Center, and in the Testing Center. Students must be registered and prepared to take a photograph before they receive a student ID. Students having a Galveston College ID card will be given a current semester sticker upon registration verification. Students may obtain their ID card at the IT Service Desk in room R-120.

## PARKING PERMITS

All students, faculty, and staff at Galveston College are required to identify their motor vehicles on campus through the use of a Galveston College Parking Permit. Parking permits can be obtained anytime at no cost at the IT Service Desk in room R-120. You will need to know your student ID number and your license plate number. A parking permit is required for every vehicle you will drive on campus. For a complete listing of the Parking Rules and Regulations, go online to [www.gc.edu](http://www.gc.edu).

## GALVESTON COLLEGE STUDENT SUCCESS CENTER

The Student Success Center, located in N-119, provides free tutoring for any currently enrolled Galveston College student. Students must bring their college identification card (ID) to receive services such as: signing-in and signing-out, accessing the internet and checking-out textbooks and laptops that are available for check out within the Center only.

The College website (<http://www.gc.edu>) contains many links to valuable resources on the world-wide web for each discipline and for study skills. The facility offers white boards for group studying and/or tutoring; it also offers sixteen computers designated for tutoring or virtual learning, and a positive learning environment.

# FINANCIAL AID & SCHOLARSHIPS

## FINANCIAL AID

Financial aid eligibility must be determined by one of the following methods:

- 1** Apply for Financial Aid by completing the 2016-2017 Free Application for Federal Student Aid (FAFSA) for Spring 2017 semester at [www.FAFSA.ed.gov](http://www.FAFSA.ed.gov).
- 2** If a student has NOT received a Financial Aid Award Notification for aid year 2016-2017 from Galveston College Financial Aid Office, the student must cover any balance that is owed and should contact the Business Office for payment options.
- 3** If a student has applied for financial aid and/or scholarships and has NOT received notification, the student may contact the Financial Aid Office to determine the status of their application. If a student's file is incomplete, the student will need to make payment arrangements at the time of registration from their own resources or set-up a FACTS payment plan with the Business Office. If Financial Aid is awarded during the semester, students will be reimbursed, if eligible.
- 4** If a student has not applied for financial aid: Tuition and fees must be paid from the student's own resources. An application packet may be picked up in the Financial Aid Office.

Federal regulations mandate that financial aid eligibility must be recalculated for students who withdraw during the semester, and who receive AWN's for non-attendance. A portion of financial aid used for tuition, fees, books, and cash disbursements MAY HAVE TO BE REPAYED by those students. Students who fail to make the proper arrangements for repayment will be reported to the federal data system. This will prevent students from receiving aid from any school they attend in the future. Please see the Financial Aid Office for additional information.

## FREQUENTLY ASKED QUESTIONS

### **When is the priority date to apply for financial aid?**

- The priority date for applying for Financial Aid for Summer 2018 is March 31, 2018 and Fall 2018 is June 9, 2018.
- Students may still apply after this date, but will have to pay for their tuition and fees. Aid may be awarded retroactively after classes begin.

### **Will financial aid pay for my books?**

Books may be charged to Pell grants, loans and other scholarships in the College Bookstore. First-time Universal Access recipients will receive a one-time \$200.00 book stipend, must be used during the first semester of receiving Universal Access.

### **Can I get financial aid if I am a part-time student?**

Yes, in most cases.

### **When are financial aid refund checks produced?**

Refund checks are produced 14 calendar days after financial aid funds have been disbursed to the student's account, which is September 26, 2018 for Fall 2018, June 21, 2018 for Summer I and July 26, 2018 for Summer II 2018. All refund checks will be mailed to the address on file with the Admissions Office.

### **What scholarships are available and how do I apply?**

Galveston College has scholarships available for students who fill-out applications, meet qualifications and are awarded through the scholarship committee. Galveston College offers several named scholarships for the Fall and Spring semesters. Contact the Financial Aid Office for details or visit the Financial Aid section of the college's website.

## **FINANCIAL AID ELIGIBILITY FOR LATE AND SECOND START COURSES**

- **Register for Second Start before the census date of the long semester**

The tuition/fees and bookstore charges for students who register for 16 weeks courses and for Second Start or any class that starts after the census date of the long term, will be paid for by financial aid on the census date of the long semester. If the Second Start or (late starting course) is dropped by the student or cancelled by the administration before the start date of the course, the student is responsible for repaying any financial aid used to cover the charges incurred for the course.

- **Register for Second Start after the census date of the long semester**

For students who register for Second Start courses only after the census of the long term, their financial aid will be packaged according to their hours enrolled. For students who are registered in a 16 weeks course(s) and who register for Second Start or any classes that starts after the census date of the long semester, the financial aid will be reassessed to accommodate the additional course hours for the Second Start course.

# UNIVERSAL ACCESS SCHOLARSHIPS

**The Universal Access Scholarship is a nationally recognized program that the community of Galveston established to provide higher education and training opportunities for its citizens at Galveston College.**

Since the Fall Semester of 2001, Galveston College Foundation, an independent 501 (c) 3 non-profit organization through its Universal Access Community Endowment Scholarship program has ensured that **every** eligible graduate of a Galveston high school, home school program, and/or GED recipient has the opportunity to attend Galveston College to pursue a two year associate degree, take university transfer classes and/or receive technical training through a workforce development program.

An applicant must be a resident of the Galveston College taxing district, as determined by the Admissions Office, for a minimum of 12 months prior to graduation or GED completion, and continue to be a resident of the Galveston College taxing district while enrolled at Galveston College and receiving Universal Access funds.

A recipient must be a resident of the state of Texas and a United States citizen or an alien who has filed with the proper federal immigration authorities a declaration of intention to become a citizen (Texas Education Code 54.057) allowing these students to qualify for resident tuition rates.

**Beginning in the fall of 2018, the Galveston College Foundation Universal Access Community Endowment scholarship will institute a new lifetime limit of \$4,620 for full-time and part-time students, which covers tuition and required fees for a 60-credit hour associate degree. Disbursement will be awarded at \$77.00 per credit hour. All students must have a degree plan on file.** Upon enrollment for the Universal Access award, a student's allocation must be used within a five-year period. A one-time \$200 book-only voucher will be given to each eligible student. If the \$200 book voucher is not used in the first semester that it is assessed, the balance will not be forwarded to future semesters.

Eligibility and participation guidelines for Galveston College Foundation's Universal Access Community Endowment Scholarship are available on request from the Financial Aid Office and online at [www.gc.edu](http://www.gc.edu). ## HOW TO PAY

Students can pay on campus in the Business Office by check, cash or credit cards. Galveston College accepts VISA, MasterCard, American Express and Discover. The Business Office is located on the second floor of Moody Hall at 4015 Avenue Q, Galveston, Texas. In addition, students can pay online using FACTS-eCashier payment plans.

To help you meet your educational expenses, we are pleased to offer FACTS as a convenient budget plan. It is not a loan; therefore you have no debt, there are no interest or finance charges assessed and there is no credit check.

The cost to budget monthly payments is a \$25.00 per semester nonrefundable fee. Please remember, all payments are deducted immediately! The FACTS Enrollment Fee is automatically deducted from your account WITHIN 14 days of your agreement being posted to the FACTS system.

## NOTICE

For Early Registration for Summer I, payment must be made by 12:00 (Noon) on May 24, 2018 to avoid being dropped from class.

For Early Registration for Summer II, payment must be made by 12:00 (Noon) on June 27, 2018 to avoid being dropped from class.

For Early Registration for Fall, payment must be made by 12:00 (noon) on August 16, 2018 to avoid being dropped from class.

During General and Late Registration, payment arrangements must be made on the day you register for classes to avoid being dropped from classes.

For payment assistance, contact the Galveston Business Office at (409) 944-1362.

# TUITION PAYMENT PLAN

## College Expenses, What's Your Plan?

Paying for the rising costs of a college education is a concern for many students and their family. The fact is, few of us have the resources to simply write a check for the full cost of tuition each semester. So how are you meeting your costs? What's your plan? Do you have one?

Having a solid plan for covering the cost of college is an important step toward graduation. Galveston College is pleased to enlist the services of FACTS to make the process easier for you.

Working together, Galveston College and FACTS will provide you with sensible strategies for covering the rising costs of college.

## Here is a Proven Plan

To help you meet your educational expenses, Galveston College is proud to offer FACTS as a convenient budget plan. This is not a loan program. You have no debt, there are no interest or finance charges assessed, and there is no credit check. The cost to budget your interest-free monthly payment plan is a \$25.00 per semester nonrefundable FACTS Enrollment Fee. You may budget your tuition and fees in the following ways:

**A. Automatic Bank Payment (ACH)**—ACH payments are those payments you have authorized FACTS to process directly with your financial institution. It is simply a bank-to-bank transfer of funds that you have pre-approved for your expenses at Galveston College. Payments may be made from either your checking or savings account. Payments are processed on the 5th of each month and will continue until the balance is paid in full.

**B. Credit Card Option**—Paying with your credit card gives you the option of taking advantage of any bonus programs that may be offered by your credit card company. Your monthly payment will be automatically charged to the credit card you designate. Payments will be charged on the 5th of each month until the balance.

## Convenient Online Payment Plan Enrollment (Fall and Spring only):

- Login on the Whitecaps Portal
- Click the quick link labeled "FACTS Payment Plan"
- (Note: Available for Fall and Spring terms **only**)
- Enter User ID (Enter a leading zero before ID)
- Enter Password (Must type forward slashes in between month, day, and year)
- Select Term
- Click "Calculate Tuition"
- Click icon labeled "E-Cashier"
- Select proceed to enter payment information
- Once completed print copy of agreement for your records

## FACTS ENROLLMENT DEADLINE

Fall 2018

\*Enrollment on e-Cashier is available from April 16 – Aug 31, 2018

### FACTS Enrollment Deadlines

Last day to Submit Request	Required down payment	Number of Payments	Months of Payments
August 16 - Early Registration	50%	2	October & November
August 23 - General Registration	50%	2	October & November
August 25 - Late Registration	50%	2	October & November

## TUITION RESIDENCY CLASSIFICATIONS

1. A student is considered a **Texas Resident - In-District** resident if he/she has resided in the College taxing district for at least 12 months prior to the student's first registration at Galveston College for other than educational purposes.
2. A student is considered a **Texas Resident - Out-Of-District** resident if he/she has resided in the State of Texas for at least 12 months prior to the student's first registration at Galveston College for other than educational purposes and is not a resident of the College's taxing district.
3. A student is considered an **Out-Of-State/Non-Resident** student if he/she has NOT resided in the State of Texas for at least 12 months prior to the student's first registration at Galveston College for other than educational purposes.

The Board of Regents of Galveston College has authorized the waiver of the difference in the rate of tuition for nonresident and resident students for a person, or his or her dependents, who owns property which is subject to ad valorem taxation by the Galveston College District. The person, or his or her dependents, applying for such a waiver shall verify property ownership by presentation of an ad valorem tax statement or receipt, issued by the tax office of the Galveston College District, or by presentation of a deed, property closing statement, or other appropriate evidence of ownership of property which is subject to ad valorem taxation by the Galveston College District.

The responsibility of enrolling in courses under the proper residence classification is that of the student. If there is any question regarding the student's correct residency classification, it is the responsibility of the student to discuss this matter with the Registrar/Director of Admissions.

**Changes to tuition residency classification must be submitted prior to the census date.**

## CONCURRENT INSTITUTIONAL ENROLLMENT TUITION ADJUSTMENT

When a student registers at more than one public institution of higher education at the same time (i.e., enrolled at Texas A&M at Galveston and Galveston College or UTMB and Galveston College), the student may be eligible for a reduction in tuition. This adjustment will be in accordance with Section 54.0602 of the Education Code which establishes, in essence, that once a student has enrolled at one public institution, and paid the required minimum tuition, he/she will be charged tuition at the credit rate only when enrolling at a second public institution, and will not have to pay the minimum tuition charge a second time. In order to qualify, the student must bring a copy of their receipt for payment of tuition from the institution in which enrollment was first made by the 12th class day (for Fall and Spring semesters) or at time of payment at Galveston College.

## TEXAS TUITION WAIVER

The student must bring the required information to qualify for the waiver (Texas Education Code 54) to the Admissions Office by the census date for the term (varies by term). Waiver information received after the census date will not take effect until the following semester.

## RETURNED CHECKS

All returned checks will be assessed a thirty-five dollar (\$35.00) handling fee. Upon receiving a returned check, the Business Office will place a "hold" on the student's record. A certified letter will be sent to the individual whose check is returned. This letter will set a final date for settlement of this returned check. After this date, the returned check will be sent to the District Attorney's office for legal action.

## STOP PAYMENT FEE:

Checks that are reissued as a result of being lost due to mishandling, mutilation, or incorrect address will result in a \$10 stop pay reissuance fee.

## BOOKSTORE HOURS

### Summer:

Monday - Thursday	7:45 a.m. – 6:00 p.m.
Friday	Closed

### Fall:

Monday & Tuesday	7:45 a.m. – 7:00 p.m.
Wednesday & Thursday	7:45 a.m. – 5:00 p.m.
Friday	7:45 a.m. – 3:00 p.m.

## BOOKSTORE REFUND AND EXCHANGE POLICY

- Texas Book Company will give full refunds for textbooks during the first five (5) days of the fall and spring semesters. Thereafter, a full refund will be given only through the twelfth (12th) class day with a receipt and a drop slip. **A cash register receipt must accompany all refunds and returns, and the current Texas Book Company price sticker must be affixed to the book.** Returns may be made within five (5) class days from the opening of each Summer semester.
- Study guides, syllabi and test preparation manuals are non-refundable.
- No refunds or exchanges are accepted on software, computers, and tablets.
- All other merchandise may be returned within three (3) days of purchase with a receipt. New materials must be returned in original condition. **Shrink-wrapped items may be returned for refund if unopened.** (Refunds are not allowed during the week prior to or during finals.)

## BUY BACK POLICY

As a service to students, the bookstore offers to buy back books on a daily basis. The following criteria determine prices paid for books:

- During the designated buyback period, the bookstore will pay up to 1/2 (one-half) of the retail purchase price for good condition books which are needed for sale in courses for the upcoming semester.
- Other days the offer may be less and will be based on wholesale purchase prices as published in the Textbook Buying Guide.

## ADDITIONAL STUDENT INFORMATION

### STUDENT RECORDS

Galveston College has established policies and procedures to comply with the “Family Educational Rights and Privacy Act of 1974” and the “Texas Open Records Law” (State Senate Bill 1071 and House Bill 6).

Generally, schools must have written permission from the eligible student in order to release any information from a student’s education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):

- School officials with legitimate educational interest\*;
- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting studies on certain students for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and,
- State and local authorities, within a juvenile justice system, pursuant to specific state law.

*\* A school official may include a volunteer or contractor outside of Galveston College who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for Galveston College. Galveston College also considers personnel instructing/supervising students at clinical, internship, and other practicum sites as school officials.*

### STUDENT RIGHTS UNDER FERPA

The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. (An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution at any age.) These rights include:

1. The right to inspect and review the student's education records within 45 days after the day Galveston College receives a request for access. A student should submit to the Director of Admissions/Registrar a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student’s education records that the student believes is inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA. A student who wishes to ask Galveston College to amend a record should write Director of Admissions/Registrar, clearly identify the part of the record the student wants changed, and specify why it should be changed. If Galveston College decides not to amend the record as requested, the school will notify the student in writing of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to provide written consent before Galveston College discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent. Galveston College discloses education records without a student’s prior

written consent under FERPA except for disclosure to school officials with legitimate educational interests. A school official includes a person employed by Galveston College in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the Board of Regents; or a student serving on an official committee, such as a disciplinary or grievance committee.

A school official also may include a volunteer or contractor outside of Galveston College who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for Galveston College. Galveston College also considers personnel instructing/supervising students at clinical, internship, and other practicum sites as school officials.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Galveston College to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202

Questions regarding a student's rights under FERPA may be directed to the Director of Admissions/Registrar.

## **ALCOHOL AND DRUG ABUSE INFORMATION AND REFERRAL PROGRAM**

In compliance with the reauthorization of the Higher Education Act Program Participation Agreement required by institutions participating in programs of student financial assistance authorized under Title IV of the ACT, Galveston College provides alcohol and drug abuse information and referral. The information and referral is designed to aid students, faculty and staff. For more information, please contact the Counseling Center at (409) 944-1220.

**WARNING:** No alcohol or illegal drugs shall be allowed on campus. Any student caught with such a substance will be subject to suspension from attendance and/or enrollment and legal action, when appropriate. Students alleged to possess illegal drugs are guaranteed the rights of due process, (see Galveston College Website: [www.gc.edu](http://www.gc.edu)).

# A Few Things You Need to Know About Your Classes at Galveston College

- **WHITECAPS STUDENT EMAIL ACCOUNTS**

All students at Galveston College are given their own free Whitecaps email account, which includes free access to Microsoft Office 365. College personnel (including your instructors) use your Whitecaps email address to provide you with important information such as, "Please come by my office so we can discuss your latest assignment." Since these are the kinds of emails a student does not want to miss, you need to activate your Whitecaps account. "Password Reset." It's that easy!

- **COMPUTER LABS/INTERNET ACCESS**

Many, if not most, of your classes at Galveston College are "Web Enhanced" and require that you have access to the Internet for certain aspects of your course. Don't worry if you do not have access to the Internet from your home, Galveston College has many computer labs that operate at convenient hours throughout the week.

- **CLASS ATTENDANCE**

Students are expected to attend all lectures and laboratory periods, and an accurate record of each student's class attendance is kept by each instructor for the duration of the course. Any student who has missed 10% of the total clock hours of instruction, not excused by the instructor, may be withdrawn from class by the instructor with a grade of "AWN". Students are expected to report to class on time. At the discretion of the instructor, tardiness may be treated the same as an absence and the AWN policy may be applied.

- **COMMITTED TO SAFETY**

Students who have experienced sexual assault, sexual violence, stalking, domestic violence, or other crimes may seek advice, assistance, and resources from the Vice President of Student Services, or the College's Title IX Coordinator. The Title IX Coordinator's duties include facilitating the complaint and investigation process. Individuals within these offices can assist the complainant with accessing medical or counseling services, advocacy services, social support services, legal services, and police services. Even in the absence of a formal complaint, the College may be able to provide assistance to the complainant with respect to his or her academic, living, transportation, or working situations. For example, a student might wish to explore changing a class or class time. For more information please visit the GC website: [http://www.gc.edu/gc/Staying\\_Safe\\_on\\_Campus.asp](http://www.gc.edu/gc/Staying_Safe_on_Campus.asp).

## ONLINE CLASSES

Students enrolled in online courses may be required to come to campus to take their final exam. Please refer to the course syllabus for the exact deadline on completing the final exam. Spaces are limited in the Testing Center so it is recommended that students take their final exams as early as possible during the exam period. Contact your instructor if you have questions.

## GRADES SUBMITTED

All grades are due in the Office of Admissions via the Whitecaps Portal by 10:00 a.m. Instructors should enter grades into Whitecaps Portal for processing as soon as possible following completion of the exam. Students should check all examination dates with their instructors prior to the exam week. Examinations should be administered in the room where the class meets, however, exam locations for off-campus classes will be announced by the instructor. Laboratory exams will be given on the last scheduled lab day of the semester.

# DISTANCE LEARNING

## A FEW THINGS YOU NEED TO KNOW ABOUT DISTANCE LEARNING

- o An on-site orientation is sometimes required.
- o Contact your instructor by the first day of class; your instructor's email is provided in the course listing.
- o Distance Learning classes require self-discipline and good study habits. Additional information is located at <http://whitecaps.gc.edu>.
- o A \$25 course fee will be charged per course for all Distance Learning courses. This includes both Hybrid and Internet courses.
- o You need access to the internet in order to participate in these classes.
- o All first-time Distance Education students are strongly encouraged to review the general orientation information for online learners. Orientation material is available from the eLearning website (<https://whitecaps.gc.edu>).
- o For questions or concerns regarding access issues with your online class, please contact the Distance Learning Coordinator at 409-944-1324.
