2019—2020
Eligibility & Participation Guidelines

Over the last 18 years, the Universal Access Community Endowment Scholarship supported over 1,700 students. These students were not eligible for federal or state funding--oftentimes because their income exceeded eligibility limits, yet they still needed financial assistance to complete their studies and graduate. Since late fall 2014, Galveston College Foundation raised significant sums for the Universal Access Community Endowment and individual scholarships. Thanks to consistent generosity from the Galveston community, area foundations, and businesses, the Universal Access Community Endowment upgraded tuition support annually.

Instituted in the fall of 2018, the Endowment Scholarship provides $4,620 toward tuition and fees.

**NEW FOR FALL 2019**

A one-time $500 voucher will be given to each eligible student for books, internet access codes, digital equipment. The voucher no longer needs to be used in a student’s first semester at the College. The balance may be forwarded to future semesters.

In addition, Universal Access Community Endowment Scholarship alumni in pursuit of a baccalaureate degree at the college are eligible for UA Plus funds to a maximum of $500.
General Universal Access Community Endowment Scholarship Requirements:

- Recipients must be a resident of the Galveston College taxing district for a minimum of 12 months prior to graduation from Galveston accredited high schools, successful completion of a General Educational Development (GED), or home schooling prior to enrollment into Galveston College, or otherwise qualified for an in-district waiver under state law. **Student must continue to be a resident of the Galveston College taxing district while enrolled at Galveston College and receiving Universal Access Community Endowment Scholarship funds.** Residency requirements are determined by the Admissions Office and should be contacted for further information.

- All applicants must complete and submit: (1) a Free Application for Federal Student Aid (FAFSA)*; (2) a Universal Access Community Endowment Scholarship application; (3) file a degree plan in the Counseling Office; and (4) submit a Galveston College admissions application. *The FAFSA is completed online at www.fafsa.ed.gov.

Forms should be turned in by the **Financial Aid Priority Deadline date** indicated on the Universal Access Community Endowment Scholarship application. Incomplete or insufficient forms will cause processing delays.

- **If the student has received a Federal Pell Grant or any other assistance that satisfies the costs for tuition and fees, the commitment of Universal Access Community Endowment Scholarship will be considered fulfilled.** Other assistance includes Federal Pell Grant, Federal SEOG, Workforce Investment Act, and state financial aid such as TEOG and any 3rd party Scholarship/Source that is directly committed to the payment of tuition and fees. If the student receives assistance that is under the total cost of tuition and fees for the academic year or workforce program, Universal
Access Community Endowment will pay the difference between the amount received and the cost of tuition and fees up to the established funding limits cited below.

- **The Galveston College Foundation Universal Access Community Endowment scholarship** instituted a lifetime limit of $4,620 for full-time and part-time students in 2018. This limit covers tuition and required fees for a 60-credit hour associate degree. All students must have a degree plan on file. Upon enrollment for the Universal Access Community Endowment award, a student’s allocation must be used within a five-year period.

- **Beginning in fall 2019, a one-time $500 voucher will be given to each eligible student for books, internet access codes, and digital equipment.** The voucher no longer needs to be used in a student’s first semester at the College. The balance may be forwarded to future semesters.

**ACADEMIC REQUIREMENTS FOR RECEIVING FINANCIAL
AID (SATISFACTORY ACADEMIC PROGRESS)**

The Higher Education Act of 1965, as amended, mandates
institutions of higher education to establish a standard of
satisfactory academic progress for students who receive financial
aid. This standard must apply to the student’s entire academic
history, whether Title IV financial aid was received or not. In
order to remain eligible to receive aid students must meet the
standard specified for acceptable academic performance and for
satisfactory progress toward completion of their eligible program
of study. This standard should not be confused with Probation or
Good Standing as defined by academic regulations, nor is
satisfactory progress affected by "academic fresh start”.

Universal Access Community Endowment Scholarship recipients
are subject to the Galveston College Financial Aid Standards of
Academic Progress including the process of appeals related to
financial aid probation and suspension. The Director of the
Galveston College Foundation will review all Universal Access
Community Endowment Scholarship probation and suspension
decisions each semester to confirm compliance with the
guidelines. Galveston College’s definition of satisfactory
academic progress for receiving financial aid includes the
following components, with some exclusions:

I. **Academic Standard Component**
   Galveston College uses the 4.0 grade point average
   (GPA) system and numerical code:
   
   \[
   4.0 = A \quad 3.0 = B \quad 2.0 = C \quad 1.0 = D
   \]
Students are expected to maintain an overall cumulative GPA of 2.0 for all hours attempted at Galveston College.

II. **Maximum Time Frame Component**
Complete a degree program (certificate, associates, or bachelors) in a maximum time frame of no more than 150% of the average length of the program. The maximum number of attempted hours for the bachelors program is 180 hours. The maximum number of attempted hours for an associates program varies depending on the length of the program (90-98 hours). The maximum number of attempted hours for a certificate program varies depending on the length of the program (24-68 hours).

III. **Rate of Completion**
Students must successfully complete at least 75% of their overall cumulative hours attempted (incremental progress). Rate of completion is measured by dividing the cumulative number of hours successfully completed by the cumulative number of hours attempted.

IV. **Change of Major**
A student may change from one major to another during attendance at Galveston College. Students who change from one major to another are still expected to maintain satisfactory academic progress and complete the coursework within the time frame or hour limitation stated unless an appeal is approved. All attempted hours from a prior major(s) are included in the total maximum attempted hours.

Review Procedures:
I. **Academic Standards and Incremental Progress**

The Financial Aid Office staff will determine each semester whether the student has successfully completed at least the minimum expected percentage of hours with the required GPA and shows progress toward the educational objective for all completed semesters. The Universal Access Community Endowment Scholarship is designed to encourage students to complete their education in an efficient manner,
ensuring maximum utilization of the scholarship investment. The following will be considered as semester hours successfully completed: “A” through “D” grades; “CR,” “CRA,” “CRB,” and “CRC” credit

The following shall be considered as semester hours not completed:
“F” Grade “I” Incomplete
“IP” In Progress “W” Withdrawal
“WX” Progress “AUDIT” No Credit
“AWN” Administrative Withdrawal-No Credit
“NC”, “NCD”, “NCF” No Credit
“NR” Not Reported

II. Repeat Courses
For repeated courses, only the latest grade earned is included in cumulative grade point averages, but both courses will remain as a part of the aggregate hours attempted. Universal Access Community Endowment Scholarship will not be available for courses taken by audit or credit hours earned by placement tests.

III. Time Frame
At the end of each semester, the Financial Aid Office staff will determine the aggregate number of hours the student has attempted. The student must not exceed 150% of the required program hours to graduate from any one degree program. Once a student has attempted 90 hours, he/she is ineligible to receive consideration for Universal Access Community Endowment Scholarship after that semester unless enrolled in a baccalaureate program at Galveston College. The student may appeal to have the Universal Access Community Endowment Scholarship reinstated by providing supporting documentation.

IV. Developmental Classes
After a student accumulates a total of 18 (non-credit) semester hours of developmental coursework, developmental coursework may no longer be used to establish eligibility for the Universal Access Community Endowment Scholarship. No exceptions will be made.
UNIVERSAL ACCESS
COMMUNITY ENDOWMENT SCHOLARSHIP
WARNING/PROBATION/SUSPENSION

Following the first semester in which the standards of academic progress are not met, the student will be placed on a Warning status. A student who fails to meet the Galveston College Financial Aid Standards of Academic Progress during the semester of attendance while on a Warning status will be placed on suspension and denied further funding. Students who are suspended may become eligible again by bringing themselves into compliance with the requirements at their own expense.

Appeal Process
The Universal Access Community Endowment Scholarship makes use of limited private dollars to ensure that all have access to higher education regardless of ability to pay. The recipient is charged with adhering to the rules and restrictions of the Community Endowment. If students lose their Universal Access Community Endowment Scholarship because of failure to meet the requirements stated above, they may appeal their status to the Director of the Galveston College Foundation. The Director may consider appeals only if current endowment funds are available. All appeals must be sent to the Director in writing by the student within 10 working days from receipt of notification from Galveston College Financial Aid. The Director is restricted to appeals for eligibility based upon the student’s failure to meet the requirements listed above. All decisions are final. A student may be allowed by the Director to continue on a probationary status.

The Galveston College Foundation Board of Directors approved these guidelines on August 29, 2019 and reserves the right to change them.
